1. Any dancer wishing to become a Caller/Leader/Instructor in the different dance categories sponsored by their local Association, and/or Provincial Federation, and/or Canadian Square and Round Dance Society (**square, round, clogging, line, western**), or a current Caller/Leader/Instructor wishing to upgrade their skills may apply through their Association, Federation, Society for a bursary to help offset the expenses incurred. If your area has no local Association, a local Club may act as a sponsor.

- a) All applications must be for the current calendar year;**
- b) Applicants will not be considered for a bursary two years in a row;**
- c) Length of course will be taken into consideration.**

2. New instructors and applicants from remote areas will be given preference over instructors wanting refresher training. Preference will also be given to those wishing to attend schools and clinics within the home area/province, and also if a Club is being started by the applicant.

3. Assistance may also be approved for a “qualified” instructor to conduct a school or clinic in a remote location of the Province. This may be necessary in order to encourage attendance at the school or clinic by local students.

**4. Early application for bursaries is encouraged. Please note that each bursary has its own deadline date. The appropriate Professional Development Committee Chair must receive bursary applications by:**

- a) Local Association - December 31st**
- b) Provincial Federation - February 28<sup>th</sup>**
- c) Society - June 15<sup>th</sup>**

Note: For courses given during summer months, **Society** applications must be **received prior** to the course being given. You can file after completion of the course to the local Association and/or Federation as long as the application is received prior to the deadline. No consideration will be given to applications received after the appropriate deadline date. Applicants will be notified as soon as possible of acceptance or rejection (2-3 months). The bursary will be paid to the applicant when proof of successful completion of the course is received by the appropriate committee Chair, as well as an itemized list of anticipated (Society) or actual (Association, Federation) expenses incurred while attending the school. The Course Evaluation Form must accompany the expense claim, before the applicant will receive funding

5. The current maximum amount of the bursary is \$500 per application (Society), \$400 (Federation), and \$300 (Association). In case of numerous applications, lesser amounts may be granted.
