

It is that time again. Time to apply for membership in the Ontario Square and Round Dance Federation and the Canadian Square and Round Dance Society. You must be members of both in good standing order to qualify for liability insurance.

### Instructions for Applying for Federation membership/Society Membership/ Insurance

September 2023

To: All Federation Clubs

Re: Federation Membership and Canadian Square & Round Dance Society membership

The collection of the of the annual Federation/Society membership dues must be received by November 1, 2023. These **dues include membership in Federation, Society and Liability Insurance coverage as provided by Society.**

All clubs must submit their request for membership on the attached forms. The form Membership Application 2020 is to be filled in by the club. Attached to that form each club must provide a list of names corresponding to the number of dancers included in the calculations on the membership application club. The second form is a suggested format only to collect names for each club. Use more than one page if necessary. **Please one individual name per line. Each person must register on a single line. Only those whose names appear on the list will be covered. Callers and cuers their spouses/partners must also be named and listed on the membership list.**

Membership Certificates for the individual clubs will be mailed directly to the club contact by me. For Clubs that Require Additional Insured (*named insured*) certificates a form will be provided at a later date to be effective January 1, 2024.

Send forms along with total payment to
